Prepaid Unit Account Authorization Form

Prepaid Unit Accounts are treated by the Gamehaven Council the same as a bank would treat your checking account. It is your money and we are custodians of your money. Only those persons you authorize to withdraw money from the account are entitled to use the account. As a bank does not allow overdrafts, prepaid Unit Accounts cannot be overdrawn. Because of this, the starting balance, amount purchased, and ending balance is printed on every receipt charged against your unit account. You may change the authorized signatures at any time by completing this form.
